- Smart automation solutions

A modern bedroom interior featuring a large bed with a tufted headboard. The wall behind the bed is composed of large, rectangular panels with a geometric pattern. The room is dimly lit with warm, ambient lighting from pendant lamps and recessed ceiling lights. A large window on the right side of the room is covered with sheer curtains, showing a view of the outdoors. The text "SOFT FURNISHING & UPHOLSTERY" is overlaid in white, sans-serif font on the left side of the image.
